

# Internet Safety Project Planning Form

Group Members: \_\_\_\_\_

Topic: \_\_\_\_\_

Task 1: Lesson- How will you teach your topic?

---

---

---

---

Task 2: Activities- What 5 or 6 activities will you create?

---

---

---

---

---

---

Remember your "students" will have access to computers and touch screen devices so all of your activities should be able to be completed using technology

What is your plan for completing these tasks?

Week 1: \_\_\_\_\_

Week 2: \_\_\_\_\_

Week 3: \_\_\_\_\_

Week 4: \_\_\_\_\_

Week 5: \_\_\_\_\_

What online resources will you need and use to complete this project?

---

---

---

How will you give credit to your sources? (In each activity, on a separate page, somewhere on your board?)

---

---

If you are unable to complete your project within the time given in class, what is your plan to complete it?

---

---

---

---

If you are not getting along with your group members, what will you do before you involve a teacher?

---

---
